

August 20, 2025

For many years, the St. Anthony Hospital Foundation's Festival of Trees has been a source of fundraising and community spirit for Pendleton and the surrounding areas. This year's event will be held on Saturday, November 29th at the Pendleton Convention Center.

I am writing to request your sponsorship for the 2025 Festival of Trees. The sponsorship levels and associated benefits are detailed on the attached sheet. We would be honored for your business to consider the Title Sponsorship that includes a fully decorated 6-ft Noble Fir decorated in your company's colors and logo with custom ornaments, to be displayed at the event and delivered to you after the Gala. This is a great way for your business to support St. Anthony Hospital Foundation and get a custom decorated tree to kick off the holiday season in style for all to see!

Funds raised from the 2025 Festival of Trees event will go toward the purchase of lifesaving equipment for our Emergency Department, including a bedside ultrasound machine that provides clinicians the ability to scan, diagnose and treat patients quickly and accurately. Festival of Trees funds will also go toward the purchase of a LUCAS device designed to provide high-quality chest compressions for patients experiencing cardiac arrest.

This year, we are partnering with The Arts Council of Pendleton for this event. The Arts Council of Pendleton fosters creative expression and community ties through experiences, education, and advocacy. A portion of proceeds from this event will go to The Arts Council, which understands how art plays a crucial role in health and well-being.

We are so excited for the 2025 Festival of Trees and we hope you will join us as a sponsor! Thank you so much for your support and I look forward to hearing from you.

With gratitude,

Emily Smith

St. Anthony Hospital Foundation Director
2801 St. Anthony Way - Pendleton, Oregon 97801
