Dear Patient,

Thank you for your interest in CHI St. Anthony Hospital Diabetes Services. We hope to meet your healthcare needs. The Diabetes Educator at CHI St. Anthony Hospital will provide you with tools and support to help you better understand and manage your diabetes.

Check in for your appointment at the hospital Admitting Department. Please arrive 5-10 minutes early for check in.

Plan on 60-90 minutes for your first appointment. Follow-up appointments are typically 30-60 minutes.

Be aware that Diabetes Self-Management Education and Medical Nutritional Therapy are billed services. As a courtesy, we will bill your insurance for you. Please contact your insurance to verify your benefit coverage and any out-of-pocket expenses. The following information may be requested by your insurance company:

CPT Code: G0108 Diabetes Self-Management Training, Individual or  
97802 Medical Nutrition Therapy, Individual

To make the most of your appointment time, please bring the following:

- Diabetes Self-assessment (available on our website)
- Blood glucose meter and log book, if monitoring
- A 3-day food journal
- A list of current medications including supplements
- A family member or friend, if desired
- Driver's License (or photo ID)
- Current insurance card, if you have insurance

Please call 541-278-3249 if you have any questions or need to reschedule your appointment. We look forward to meeting with you and being part of your team!

Sincerely,

Melissa Naff, RD, LD, CDE  
Registered Dietitian, Certified Diabetes Educator
